Important Note: Raise Right Credits and Competition Fees

Raise Right credits are applied to Gymnast Accounts approximately 6-8 weeks in arrears from when the cards are initially purchased. HGPO Competition Fees are due on the 15th of each contract month. Therefore, timing of Raise Right funds becoming available and the competition fees payment schedule may not always be perfectly in sync. Please plan accordingly and rest assured that if there is a credit balance, those funds may be applied to the next season, gym tuition, pro shop expenses or be refunded to you.

Example:

July 5 - Member Purchases a Card

August 5 - Raise Right Deposits to HGPO Bank Account

September 1 - Treasurer runs July data, reconciles to bank account and applies credits which are now available for use

This process is sometimes quicker but generally this is the expected timeline.
